RG104 E-1 Box 141 Jul-Sep 1886

Treasury Department,

BUREAU OF THE MINT,

Washington, D. C., August 7, 1886.

Sir:

The Sundry Civil Appropriation Bill contains an item of five thousand dollars ($5,000.) for the transportation of minor coins.

I am informed that it is the intention of the Treasurer to transfer from time to time to you amounts of these coins to be cleaned and reissued, upon orders received by you for the same in sums of twenty dollars ($20.) and multiples thereof as heretofore, the only difference being that the expenses of distribution will be paid, from the appropriation referred to, upon bills rendered to the Department, instead of by you from the minor coinage profit fund.

I will thank you to inform me as early as practicable when you will be able to receive from the Treasurer shipments of these coins, and what will be the most convenient amounts in which they should be transferred to you.

Very respectfully,

R. E. Preston

Acting Director of the Mint
